

# WATERPROOF ANTI-SKID TAPE

The textured water resistant vinyl with non-skid surface white vinyl is suitable for use in industrial or recreational environments. The aggressive pressure-sensitive adhesive will last for years when applied to clean, dry surfaces. Safe for bare feet. Not recommended for use on treated wood surfaces or where surfaces may have gaps.

Part Number	Size	Price (EX GST)
843823	25mm x 18m	\$44.90
843824	51mm x 18m	\$86.90

*Provides sure footing on wet or dry surfaces*
