

WE OFFER A WIDE VARIETY OF CUSTOM BAR CODE LABELS:

- For a durable, rugged label for industrial use, choose laminated Mylar Bar Code Labels.
- For high security areas choose Destructible Polyethylene Bar Code Labels.
- For office or light industrial applications, choose Polyester, Paper or Polyethylene Bar Code Tags.

47mm x 19mm

Custom fixed information or logo may be printed. Up to 25 characters per line (2 line maximum).

Up to 8 characters plus start/stop, constant or consecutive numbering.

Human readable translation of bar codes.

Wording available in black, red, blue or green

TAMPER EVIDENT METALLISED POLYESTER BAR CODE LABELS (B-438)

These Tamper Evident Bar Code Labels are made of a silver polyester material with a permanent acrylic adhesive backing. When the label is removed from an asset the checkerboard pattern shown below appears on the asset and the label - preventing reuse of the label. Labels withstand temperatures from -40°C to 40°C. Roll of 1000 labels.

47mm x 19mm

Label leaves a checkerboard pattern if removed

METALLISED POLYESTER BAR CODE LABELS (B-435)

These labels withstand temperature extremes from -40°C to 90°C, resist abrasion, rain and sunlight. Good for outdoor use up to 2 years. Permanent self-adhesive adheres to most smooth surfaces. Roll of 1000 labels.

47mm x 19mm

DESTRUCTIBLE VINYL BAR CODE LABELS (B-351)

These Destructible Vinyl Bar Code Labels crumble into minute pieces when someone attempts to remove them - the perfect vandal deterrent! Made of .06mm polyethylene with a permanent acrylic adhesive backing. These labels resist heat, solvents and inclement weather in temperatures ranging from -40°C to 80°C. Roll of 1000 labels.

47mm x 19mm

Label breaks into pieces to discourage tampering.

COMPUTER ASSET LABEL (B-351)

Constructed of a destructible vinyl, these tags stick very well to the surfaces of personal computers and other low surface energy plastics. Nearly impossible for tag pickers to remove in one piece. Perfect for tracking all of your company's high tech assets. These labels resist heat, solvents and inclement weather in temperatures ranging from -40°C to 80°C. Roll of 1000 labels.

Available: 50(w) x 20mm(h)
50(w) x 25mm(h)

VINYL PROPERTY IDENTIFICATION BAR CODE LABELS (B-423)

47mm x 19mm

The permanent self-adhesive adheres to most surfaces, and will stand up to high moisture environments. High quality bar codes with superior scanning accuracy at economical prices. Laminate top coat protects printed image from water, abrasion and cleaning. Temperature range is -70°C to 145°C. Roll of 1000 labels.
