

MARKWARE™ FACILITY IDENTIFICATION SOFTWARE

SOFTWARE THAT ANTICIPATES YOUR NEEDS AS YOU DESIGN YOUR LABEL

MarkWare™ is the combination of power and versatility. Easy to use, your industrial signage can at last show its true potential for noticeable signs – created in-house, in colour, in minutes.

Compatible with Windows® 95, 98, NT4, 2000 and XP*, MarkWare™ industrial labelling software is the indispensable tool to use with Brady's thermal transfer systems.

Importing images & logos to print them in colour, connecting to databases, easy control of your own customised template categories arranged according to your company structure, cutting symbols... with MarkWare™ you add a new dimension to your safety signs when you print in multicolour up to 600mm high on PowerMark™.

A step towards increased efficiency.

Part Number	Description
20700	One user licence
