Part.#838852 (300x450 Poly, shown preprinted)

Communicate vital Safety & Emergency information better than you ever have before! These unique signs allow you to hand-write info onto a laminated blank patch and then wipe it off when you need to change the message (Use chalk or magnetic characters to fill in the black boxes on the signs below). Alternatively, you can have your legend pre-printed if you expect the information to remain constant for long periods of time.
