## SAFETY TRACK® RESILIENT TAPE

Safety Track® Resilient is tough enough to use where other grit anti-slip tapes are used, but is gentler to the touch. An embossed blend of synthetic products create a high performance, non-skid surface. Safety Track is easily cleaned and can be mopped. It is kinder, gentler product without sacrificing performance and can also be used for clean rooms, laboratory facilities and food processing plants. Made of laminated, calendered film.

Part Number	Size	Price (EX GST)
98454	50mm x 18m	\$37.50
98455	100mm x 18m	\$74.90
98456	147mm x 18m	\$115.00
98457*	152mm x 610mm	\$219.00

\* Cleats are 50 per package

## WATERPROOF ANTI-SKID TAPE

The textured water resistant vinyl with non-skid surface white vinyl is suitable for use in industrial or recreational environments. The aggressive pressure-sensitive adhesive will last for years when applied to clean, dry surfaces. Safe for bare feet. Not recommended for use on treated wood surfaces or where surfaces may have gaps.

Part Number	Size	Price (EX GST)
843823	25mm x 18m	\$44.90
843824	51mm x 18m	\$86.90

Provides sure footing on wet or dry surfaces

## HAZARD STRIPE ANTI-SLIP TAPES & TREADS

Use this range of self adhesive tapes, treads and cleats to achieve maximum anti-slip protection whilst warning of dangerous areas. Available in Black/Yellow and Red/White stripe, the tape is highly visible with a very coarse, abrasive non-slip surface – available in rolls of tape or die-cut 'treads' for floor areas and walkways. Suitable for indoor or outdoor application. Surface preparation is recommended. Apply to a clean dry surface, use our surface primer and edge sealing compound (see page 184) to improve the life of these tapes.

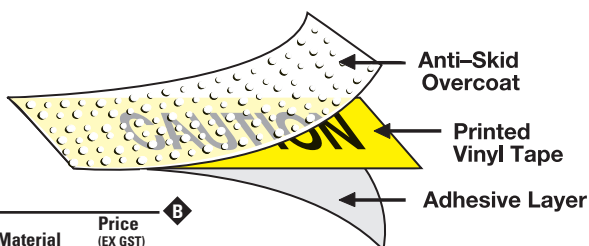

Warns of hazards and prevents slips & trips

Part Number	Size	Colour	Price (EX GST)
843825	50mmx18m	Black & Yellow Stripe	\$79.90
